

Sport Stacking with Speed Stacks

Are you looking for a new activity that engages and excites your students? Do you find it challenging to get all students motivated and engaged? Would you like to offer an activity that not only challenges your student physically, but academically as well? Sound too good to be true? Read more on how the dynamic activity of Sport Stacking can enhance your students' growth.

What is Sport Stacking?

Sport Stacking is an exciting individual and team activity where participants of all ages and abilities stack and unstack specially designed cups in specific patterns. Sport Stacking has been taught and enjoyed in over 45,000 schools, child care and recreational programs across the country.

Benefits of Sport Stacking

Sport Stacking is a fitness based activity that appeals to kids from all backgrounds and abilities. Sport Stacking is a great activity for promoting fitness, achievement and inclusiveness. Benefits include:

- Improved hand-eye coordination & reaction time
- Right, left brain activation/bilateral coordination
- Exercise for the body & energizer for the brain
- Focus, concentration & ambidexterity
- Moderate to vigorous physical activity (MVPA)
- Visit www.speedstacks.com for a full list of benefits and studies
